Information: Northern Door Children's Center located in Sister Bay, WI is a not-for-profit early childhood center offering high-quality infant, toddler, and preschool education as well as a great summer "camp" experience for school age children who live in the Northern Door communities, from Sturgeon Bay to Washington Island. The services of the center allow parents of the young children of Northern Door to work in the businesses that make our county a wonderful place to visit and live, while their children receive an excellent early childhood experience.
