Dear Parents and Campers,

Welcome to Camp Cool, 2017! We are excited that you will be joining us this summer for Camp Cool! We cannot wait to welcome back our returning campers and welcome our first time campers. Camp Cool this year will be held from Monday, June 12<sup>th</sup> through Friday, September 1<sup>st</sup>.

This year is gearing up to be another fabulous summer break! We are excited that Lead Counselors will be returning! Beth Alumbaugh, Stacy Johnsrud, and Marshall Davis will be returning to Camp Cool to lead us through a summer of many adventures that challenge, excite and inspire our campers. This summer Camp Cool will be going to Infinity and Beyond! Our campers will enjoy a summer full of Space Discovery. Each week the campers will learn about a different planet or other space related topic.

Communication is the key to a successful summer. Please make sure to read all the information in this packet, as well as the weekly and sometimes daily updates this summer. Updates will be posted on the Parent's Board located outside of the multi-purpose room. Please provide Sue with a current email address for easier and "paperless" updates! Camp Cool has a closed Facebook page for just Camp Cool parents. If you are not invited via Facebook to join this group by the first day of Camp Cool, please see Beth to add you. Our Facebook provides important information and a glimpse into Camp Cool life. We love to have parents participate in Camp Cool. If you have a special talent that you would like to share, if you would like to join us on a field trip, or just stop by to have lunch with your camper- you are always welcome!

Space is limited in Camp Cool 2017 and it fills fast! To guarantee your spot, please return the NDCC contract, required paperwork and registration fee by April 14, 2017 for early registration. Your contract will be confirmed by email or telephone on April 19, 2017.

We look forward to seeing you in June!

Sue Mydra & Beth Alumbaugh  
Camp Cool Program Directors  
Northern Door Children's Center

## CAMP COOL 2017

### WHAT YOU SHOULD KNOW:

**\*\*Camp Cool, a program of NDCC, is a summer day camp for school-age children, ages 5 years to 11 years old. Children **must** be 5 years old by June 12<sup>th</sup>, 2017. Camp Cool is based in the multi-purpose room of NDCC, but this may vary weekly. Several times each summer we base ourselves at Nicolet Beach in Peninsula State Park, as well as the Sister Bay Beach & Park. You will be notified if drop off is at a different location than NDCC.**

**\*\*Camp Cool operates Monday-Friday 7:30 am -5:30 pm. Parents are responsible for signing their child in and out of the program each day. Do NOT drop your child off in the parking lot. Please make sure to arrive at the Center/pick-up location with time to speak to Camp Counselors, collect your child's belongings and still meet the 5:30 closing time. A late fee of \$2.00 per minute is charged for every minute after 5:30.**

**\*\*A light breakfast and afternoon snack is included in the Camp Cool fee. Campers may bring their own sack lunch (refrigeration is **not** available) or they may purchase a lunch from our sandwich bar for an additional charge. Campers will be requested to bring sack lunches when attending certain field trips.**

**\*\*It is necessary for each camper to have the following items:**

- A good pair of walking shoes (no heeled sandals please)
- Swimsuit and Towel
- Sunscreen and Bug Spray
- Extra set of clothes
- Jacket
- Water Bottle
- Backpack

## WHAT YOU NEED TO KNOW ABOUT CAMP COOL FIELD TRIPS!!!

- ✓ If your child chooses not to attend a field trip, there is NO alternate care! We will automatically apply a VIP to your statement if one is available.
- ✓ There may be an additional charge for some field trips to help cover the cost of bus rental, admission charges or ticket prices. This will automatically be applied to your account and appear on your weekly statement.
- ✓ If you should add your child to a field trip on a day he/she does not attend and then change your mind, you will still be responsible for Field Trip charges & daily charge. (Admission fees & staffing have already been arranged) Any questions, please see Sue.
- ✓ If attending a Nicolet Beach field trip, Peninsula State Park does require you to have a park sticker for drop off & pick up. There are envelopes at the "drive-thru" station at both Fish Creek & Ephraim entrances. Drop Off & Pick up are at Nicolet Beach.
- ✓ All field trips are subject to change. There are some things that are out of our control (weather, transportation issues, unexpected staffing changes) We do our best to stick to the schedule and dates provided!

# Camp Cool Electronics Agreement

Over the past few years we have seen an increase in how many children have electronic devices. We know that electronics are important to many young children. We want to provide an opportunity for the children to use their electronics. We have put together new guidelines for electronics time:

- There will be one scheduled day per week for campers to be allowed to bring electronics. This will be the same for younger and older campers. The only time electronics should be brought to Camp Cool is on electronics day *or* for a bus field trip.
- Computers will be brought out on the designated electronics day for campers wishing to use them. Camp counselors have the right to take away privileges at any time. YouTube and games involving weapons will not be allowed.
- When a camper brings an electronic they will not be able to connect to the internet.
- When a camper brings an electronic, they will be the only one allowed to use this device. Sharing of electronic devices will not be permitted.
- When a camper brings an electronic to Camp Cool it should be labeled with their name. This goes for games and cases that go with electronics as well. Electronics and games are the camper's responsibility. Though we try, it is very difficult for the camp counselors to keep track of electronics and games.
- For all electronics use, teachers reserve the right to take away privileges at any time. If the camp counselor deems it as inappropriate, the child **will** be asked to find another activity.

---

Please read over these electronics guidelines with your camper. We want Camp Cool to stay a fun and safe place to be! Thank you for your cooperation! Please sign on the lines provided below and return the bottom half of this sheet with your packet.
